Hello everyone.

We pray that everyone in some way is being blessed by this beautiful summer. As for Beth and I, we have been home in Canada since early June, working on our support team as well as resting and recharging.

We have been busy visiting with supporting churches and individuals in New Brunswick and Nova Scotia. We also just returned from Beulah Camp, which is the Wesleyan Atlantic District Church Camp. It was really great to see friends and supporters there. We had a chance to share about WISH and the work it is doing in Haiti.

This is truly a wonderful and blessed country that we live in.

Our next update will come from Haiti. We head back to LaGonave Island on the 30th of July where there is still much to be done. We will switch places with the Geiszler family (the other couple who works for WISH) who will go out for their home ministry time as we return.

For those faithful prayers here are our prayer requests at this time.

- That God will bless this last bit of time with family, children and grandchildren.
- For safe travel back to Haiti for us and a safe trip to the U.S. for the Geiszlers.
- For the Haitian doctors, nurses, and support staff at the LaGonave hospital. Please lift them up as they wait out the readiness of the new hospital building. The present hospital conditions make it difficult to do their jobs. This group of men and women are very dedicated to providing the best care possible to the patients they see. The senior Haitian Doctor is Dr. Jean Eric Ferdinand. He works very hard. Please lift him up in prayer.
- That the people who support this ministry in finances and in prayer will feel richly blessed by being a part of this missionary team.

Thank you to all of you for your faithful giving and praying!
