

Missionary opportunity, help them feel at home!

Come meet the Thedes family from Haiti: they are stationed north of Port au Prince. They have worked on the island of La Gonave and are good friends of Merline's family (Caleb's in-laws).

- Saturday, October 13th, 9 AM in the Fellowship Hall of LLWC.
- Breakfast will be served, including homemade waffles!
- After breakfast, the Thedes will give a presentation about their work.

Cory & Kris Thede are missionaries with Global Partners. Here is a link to their blog: <http://www.portmargot.blogspot.com/>. And here is their bio from the Global Partner website:

Cory & Kris Thede

In preparation for missionary service, Cory earned a B.S. degree in horticulture and Kris earned an M.D. degree. Their service in Haiti began in 1998. God's words from Ephesians 4:12 guide them: "for the equipping of the saints for the work of service, to the building up of the body of Christ" (NAS).

Equipping the Saints: Through education—agricultural, medical, and spiritual—Haitian Christians can better touch others for Christ. One improved life impacts many lives in one's family and community. Cory and Kris hope to strengthen the faithful and draw others to the Lord by meeting needs.

For Work of Service: Striving to upgrade food and medical resources, Cory and Kris attempt to improve the health of the Haitian people. Healthy people serve better, opening doors for others to see God's love and receive freedom.

Building up the Body of Christ: Cory and Kris host teams, who come to encourage, pray, work, and partner locally. The Thedes share global prayer requests, and the Haitian church shares in building up His believers. By living among the Fauche community, sharing in its sorrows and joys, Cory, Kris, Eli, and Anna build up the church to glorify God.
