Greetings in the Name of our Lord and Savior Jesus Christ,

Jerry and I are enjoying autumn: leaves changing color, fresh apples, and cool temperatures. Not to mention time with family, friends, plus having the privilege to report to the church the exciting happenings in Africa. God is good.

We continue to receive good news from the Church Family in Africa:

- Rev. David Kajila, DRC Missionary to Cameroon reports that construction on the new church plant in has begun.
- Rev. Kasweshi, NS Democratic Republic of Congo Church praised the Lord for His protection during a recent trip to the District of Kinshasa. The weeks were filled with preaching, teaching, District Conference which included the dedication of pastors and deacons.

Prayer:

- Rev. Kasweshi requests prayer for :
  - Dealing with various spiritual currents that are running through the country.
  - Mobilization of Wesleyan youth to prayer
  - Church plant in Congo Brazzaville, Rev. Kasweshi wrote *"The field report is very favorable and we intend to reach by March 2014 for the implantation of our Wesleyan Church."*

***"How, then can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, 'How beautiful are the feet of those who bring good news.'" Romans 10:14-15 we say Amen!***

Joyfully Serving Jesus, Jerry & Jody
